COMPANY LAW | INHERITANCE LAW | FOUNDATION LAW | REAL ESTATE LAW |

Dr. Markus Schewe mainly advises clients on the law of companies, real estate, inheritance and foundations, in particular for the cutting points of these fields of law, as an attorney as well as a notary public. He has broad experience in M&A and real estate transactions and appears regularly in court, notably in complex civil disputes on succession issues, often in corporate descent relations.

He also advise private clients and companies on all questions of foundation law, including questions on the charitable status.

Clients of Dr. Markus Schewe are listed companies, small and medium sized companies, the public authorities and private clients. As a notary public he is focused on real estate and succession law.

Curriculum Vitae

Dr. Markus Schewe studied law at the Ruhr-University Bochum from 1993 to 1998 and passed his first state examination with high distinction. Subsequently he worked several years as an assistant of Professor Dr. Karlheinz Muscheler, who is highly renowned in the fields of succession and foundation law. Dr. Schewe received a PhD with a doctoral dissertation on foundation law. Since the second state examination in 2003 he acts as an attorney at KÜMMERLEIN. In 2014 he was appointed as a notary public.
